To

THE KATAN PAN HPA, ESQUIRE, B A ,
DEVELOPMENT SECRETARY TO GOVERNMENT,
BANGALORE

SIR

With reference to your letter No L 3504, dated 13th November 1935, requesting me to furnish the resolution of the Konanur Minor Municipal Council, agreeing to meet the extra cost (Rs 3300/-) on account of the water-supply scheme to their town and also to intimate the source from which the amount would be met, I have the honour to state as follows -

1 The President, Konanur Municipal Council, who was addressed in the matter, furnished a copy of the resolution of the Municipal Council passed at their meeting, held on 17-3-36, to the effect that Government might be moved to meet the entire extra expenditure, in view of their limited resources and the impending commitments such as the drainage scheme and that the revised estimate for Rs 24800/- be countersigned

2 Thereupon, the President was asked to move the Municipal Council to agree to bear at least 2/3rds of the extra cost and to point out the source from which the sum of Rs 2200/- would be met He has submitted a copy of the resolution of the Council passed at their meeting, held on 30-5-36, to the effect that - they would bear 2/3rds of the extra cost and meet this amount out of the closing balance and also from the income expected from Octroi on tobacco and betel leaves

3 I found at the time of my inspection of the Konanur Municipal office on 10-6-36, that the amount which was at the credit of the Municipality at the end of May 1936 was only Rs 1974 and that arrears amounting to about Rs 1050/- were outstanding - recovery

recovery The council have not yet taken action to levy octroi on tobacco and betel leaves Even if the entire arrears are - collected, the Council will not be in a position to meet the sum of Rs 2200/- on account of the water supply scheme and maintain the prescribed minimum balance I have instructed the - President to push through the collection work and to submit proposals to levy octroi on tobacco and betel leaves before the close of the year A further report re the progress made in this direction will be submitted on hearing from the President

4 In the meanwhile, I request you to be so good as to move the Government to kindly sanction 1/3rd of the extra cost from - state funds as prayed for by the Council

5- The connected records ending with Hassan Sub Division office memo No C1 1177-35 dated 2/11-6-36, and the countersigned revised estimate and plan are herein enclosed for kind perusal

I have the honour to be ,

Sir,
